In recognition of the 50th anniversary of the 1967 Referendum, the National Trust of Western Australia, in partnership with the Goldfields Aboriginal Language Centre, presents an evening of song, talks, and an exhibition of photographs. Light refreshments and finger food will also be provided.

The Right to be Heard exhibition includes images and stories from the 2007 exhibition 'Right to be Counted' by Melbourne photographer Tobias Titz, plus images and stories from Goldfields' Elders collected by Tobias and the Goldfields Aboriginal Language Centre in 2017. The event has been made possible with the support of Lotterywest.
